**ADMINISTRATIVE LAW JUDGE'S RULING
SHORTENING TIME FOR RESPONSES TO MOTION**

On August 24, 2005, Southern California Edison Company (SCE) filed a motion for receipt into evidence of a Memorandum of Understanding (MOU) executed by SCE and the Commission's Consumer Protection and Safety Division. The MOU addresses a refined priority maintenance system for correcting violations of General Orders 95 and 128. SCE also requests that a response deadline of August 29, 2005 be set and a ruling issued at the earliest opportunity following receipt of responses (if any), so that parties wishing may comment on the MOU in reply briefs due on September 2, 2005. Due to the time sensitive nature of SCE's motion, its request to shorten time for responses is reasonable and shall be granted.

IT IS RULED that responses to Southern California Edison Company's Motion for Receipt into Evidence of Late-Filed Exhibit shall be filed no later than August 29, 2005.

Dated August 26, 2005, at San Francisco, California.
